

Spread the word about AEPS®—and get a FREE early childhood mini-library!

You already know why AEPS® and AEPSi™ are the tools of choice for assessment, intervention, and programming. Now you can help other programs discover the benefits of AEPS® and AEPSi™—and as a thank you, you'll receive a mini-library of new and bestselling early childhood books from Brookes!

How it Works:

- ✓ Tell a program about your experience with AEPS and AEPSi™ (see the sidebar for some of the benefits you might want to share).
- ✓ The new program shares your name with us when they contact us for a demo or free trial.
- ✓ When the new program purchases an AEPSi™ subscription, we'll send you a free library (see below titles).

Get a free library of early childhood titles!

Benefits of AEPS® and AEPSi™

- ✓ Seamlessly linked assessment, intervention, and programming
- ✓ Criterion-referenced, curriculum-based, observational assessment
- ✓ Web-based data management that saves time and helps meet reporting mandates
- ✓ Free, 24/7 AEPSi™ technical support and comprehensive online tutorial and other support materials
- ✓ Alignment with NAEYC and DEC recommended practices
- ✓ Progress monitoring to track success of interventions
- ✓ Customized professional development through Brookes on Location

Refer a program to AEPSi™ today, and help more children make real progress!

Limit 1 library per program. The referred program must be a new account and must purchase an AEPSi™ subscription to qualify. Offer expires 12/31/13.
